75 Years
TOGETHER**

Our world looks different than anyone imagined a few years ago – it’s a challenging time. Today, the most vulnerable are struggling more than ever.

That’s why **Fremont Area United Way** steps up, wherever needed. We’re responding to immediate needs. We’re helping people recover – and rebuild. We’re a vital force in building a strong, equitable community where everyone can thrive.

This year, United Way has the ambitious goal of raising **\$650,000** to improve the community in which all of us live and work. We’re counting on generous people like you and your teammates to help improve the lives of people in our community. By pledging your support, you can make a difference. The best part? The money you give stays here in Dodge & Washington Counties, helping your friends and neighbors in your community.
