

Dear **PACESETTER BUSINESS**,

**"We Are In This TOGETHER"** We don't do our work alone and it's the strength of our community partners that drives real change. We are willing to invest in our family, friends, neighbors, and community. This spirit of selfless giving is embedded in our community. It will be a new challenge for all of us to recover and rebuild while the COVID virus may be hitting this fall and winter. **TOGETHER**, however, we will overcome this health and economic crisis.

Last year, over **ELEVEN THOUSAND** of our fellow neighbors were helped by the Fremont Area United Way partner Agencies, Direct Programs and Initiatives. The network of **SIX** funded Agencies along with the Direct Programs and Initiatives helps create a tremendous system of health and human services in Dodge and Washington counties. Agencies who receive support through Fremont Area United Way are well known and assist us all, from infancy to youth, from individuals to families, to senior citizens.

The strength of our community depends on the strength of **YOUR** United Way. The strength of the United Way depends on **YOU**. This is how we **LIVE UNITED**. We join **TOGETHER** to make it happen.

**THANK YOU** for supporting Fremont Area United Way and for allowing your employees the opportunity to make a difference in our community by donating. **YOUR** generosity, at any level, will be greatly appreciated and I am certain will be returned to you in many more valuable ways. Thank you for being apart of the movement to advance the common good right here in Dodge and Washington counties. Great things happen when we **GIVE UNITED!**

**SINCERELY,**
