**UNITED IS THE WAY**  
2026 Campaign

Today, so many of our neighbors are working hard to overcome barriers and get ahead. But together with our community-serving partners and supporters like you, we can connect people to the opportunities they need to reach their full potential and make Dodge & Washington counties a place where everyone can thrive.

From strengthening local resilience to advancing health, youth opportunity, and financial security, no challenge is too big for us to take on when we work together.

**HOW YOUR DONATIONS  
MAKE A DIFFERENCE**

### Impact-Driven

Your support powers programs and initiatives that directly improve lives in our community. We invest in non-profit partners who are vetted through a review process by a group of local volunteers, including donors, before receiving United Way funds.

### Community Focused

Every dollar raised here, stays here. Your donation directly supports individuals and families in Dodge and Washington Counties. We partner with local non-profits that know our neighborhoods best, ensuring that funds address the needs right in our backyard.

### Results-Based

We believe in accountability and transparency. Every partner agency submits quarterly reports containing program goals and outcomes to ensure results are achieved. When you give to Fremont Area United Way, you can be confident your gift is creating lasting impact.
